

Malco®

Work. Perform. Outlast.

Custom Kitting for Contractors and Trade Schools

Now you can build a custom tool kit that reflects your unique market or classroom needs.

It's Easy. Here's How!

- **Specify a minimum of 6 different Malco hand tools per Custom Kit.**
- **Tools are kitted in your choice of a 50% Discounted Malco TB1 Tool Bag or TBP33 Backpack.** (Estimated maximum of 30 different tools under 17 in. / 43 cm long.) Note: Tools and packaging are separated in tool bag or backpack for efficient packing and to avoid damage in shipment.
- **Tool Kits include a package card listing the kit contents you requested.**
You can also personalize the packaging card with a company or school name and / or a list of student names when ordering a quantity for enrollees in a trade school or union JATC program.
- **10% Discount on School Orders!** All Malco Custom Kits purchased for school or student use receive a 10% discount off the quoted price.

Ask your local Malco Distributor for details and a quote. See back for details.
