A US manufacturer of valves and fittings, C&D is a well-established business with a strong reputation in the HVAC/R sector. Established in 1967 in Oklahoma City, C&D continues to offer unrivalled product quality and service.

Acquired in 2023 by Aspen Pumps Group, a leading global manufacturer of air conditioning and refrigeration aftermarket products, C&D marks an important step in Aspen's US manufacturing and sales capabilities.

Investment in the C&D proposition is highlighted this year with an expanded and innovative product offer. Many of the products surpass current US market requirements, all of which are supported by a blue-chip national customer base and an established national sales network.
